

A Call to Join the Day & Night Intercession Team (DNI)

Six months ago we began a 24/7 prayer ministry shared by over one hundred believers that together covered every hour of the week, sustaining an on-going prayer meeting Day & Night. This ministry - added to the multiple daily prayer meetings at El Dorado House of Prayer and in homes - produces a perpetual atmosphere and culture of prayer that is the foundation of our local ministry, here in El Dorado and the Wichita area, and also our ministry to the nations.

It is our conviction that the Lord has called us to an “invisible ministry” of prayer, so that we can see great amounts of “visible ministry” bear fruit all over the world.

New Life has the privilege of receiving and obeying this call. We are asking everyone that is part of our spiritual family to consider taking part in this world-changing ministry.

Practically, we are asking you to consider committing to 3 one-hour slots spread throughout the week. 55 people committed to this would cover every hour of the week. 110 would place 2 people in each hour. 165 would place 3 people per hour, etc. We are praying for 300 committed intercessors who embrace this Biblical mandate, fueling a roaring bonfire of prayer that glorifies the Lord and expands His Kingdom with power and authority.

This amount of time in a week is very manageable and actually small. It is just a little over one movie that we might sit and watch. It is approximately the time of a ballgame to which we are so dedicated. And there is no comparison of value between prayer and entertainment. So it is not whether we have time; it is whether we have the will and wisdom to embrace the great thing before us.

Please pray about this and contact us over the next week.
